

MVHS GRADE 10
Pre-registration for the 2017 - 2018 School Year

REQUIRED COURSE SELECTIONS	GRADUATION REQUIREMENTS	STUDENT LABEL
<p>All sophomores must enroll in the following courses: English 10, Civics, Economics, and one course in Math. In addition, students are strongly encouraged to complete a Science course during their sophomore year of study. Please consult with your teachers, counselors, case managers, and the Program of Studies so as to determine which course level is most appropriate. Make sure you have met all requirements / prerequisites before signing up for a course. Obtain faculty signatures for only those courses that require a teacher recommendation.</p> <p>Remember to schedule courses that fulfill graduation requirements. Students must be scheduled in four (4) academic courses during each semester. Refer to the back of this form to reference a list of course options.</p>	<p>4.0 Credits - English 1.0 Credit - Wellness 3.0 Credits - Social Studies 0.5 Credit - Physical Education 4.0 Credits - * Mathematics 0.5 Credit - Fine Arts 2.0 Credits - Science 1.0 Senior Project</p> <p align="center">16.0 Credits (Required Courses) 10.0 Credits (Elective Courses)</p> <p align="center">^ <i>Community Service (24 Hours)</i> ^ <i>Successful Completion of Senior Project</i></p> <p><small>* Commencing in 2015-2016 with the class of 2019, the NHDOE will require that all students complete 4 years of mathematics study (one course per year). Currently, MVHS requires 4 credits in mathematics unless the student has passed Algebra II. Students who successfully meet the competencies in Algebra II are only required to complete 3 credits in math. In these cases, the student would have to earn another elective credit so as to reach the cumulative 26-credit requirement.</small></p>	<p>Students who wish to participate in intercollegiate athletics at any Division I or Division II program must register with the NCAA Eligibility Center to ensure they have met certain requirements regarding the scope and rigor of their high school academic experience. Please see your counselor or athletic director for more information.</p> 
ELECTIVE COURSE SELECTIONS		
<p>When requesting elective courses, be sure to make an alternative course selection in the space provided. In the event you cannot be scheduled in a requested course, alternative selections will be used to fill your schedule. Please prioritize your elective selections by using the numbered lines below: 1 & 2 = most desired; 9 & 10 = less desired.</p>
