

ED WENTZELL CHILD NUTRITION SCHOLARSHIP 2018

Sponsored By

School Nutrition Association of New Hampshire

Ed Wentzell was a natural born leader, politician, motivator and best friend to all of Child Nutrition. Ed was the Director of Plymouth School Food Services while also serving as the Public Policy and Legislative Chair for the New Hampshire School Food Service Association for 22 years! He would not accept any barrier that would hinder the professional development, improvement or enhancement of child nutrition programs. His dedications was realized throughout New Hampshire, Washington DC and every state that participates in the National School Lunch Program when he was recognized with the prestigious Thomas P. O'Hearn Award. Seldom does an individual make such a dramatic impact as Ed with what he accomplished for the children of this great country! With his passing in January 2000 the New Hampshire School Food Service Association has dedicated its scholarship in his honor.
